Dear praying friends and supporters,

Thank you so much for your faithful prayers and support!
God has been so good to us!

Two weeks after we got back from the tent meeting at Six Nations, Brother Karl Galindez and his family were in Alberta and they came to our church. Their family sang and Brother Karl preached for us. They have a heart for First Nations People and it was a blessing having them with us.

That same week I took several kids from our church down to Camp Joy, and not only did they have a great time at camp, they were also greatly impacted for the Lord.

Delane Bull-Carter is a twelve year old boy who has been back home with his mom and out of the foster system for two years now, and he had a great time at Camp Joy. He gave his testimony, and helped lead the singing, and he also won the "Jim Price Christian Character Award". Two weeks ago he helped me lead the singing in Church for the first time.

Please pray for Delane, that he will continue to have that desire to grow in the Lord and serve Him.

On October 4 we were blessed to have the Hollands with us as they were passing through Alberta on their way home. Todd and Jodi Holland are missionaries to the Sahtu up in Norman Wells, NWT.

This past Sunday we had a wonderful time at our special Thanksgiving service and dinner. We had about 65 people in the service, and close to 80 afterwards at the dinner.

We have started up again with our online Bible classes for First Nations People, and Praise the Lord we have been averaging about 30 people per class.

Please continue to pray for souls to be saved and for believers to be encouraged and strengthened in the Lord.

God Bless You!
