We have had a very busy past couple of months. In July we were blessed to have a few visitors, from Vancouver and Peru, and many families from our church attend a family camp in Nova Scotia, where we were blessed to hear many preachers. It is great to see so many families and young people come together and worship God. It is always a blessing to see what God has in store for you and what He can accomplished. We thank God for seeing more Spanish people honouring God and getting baptized this Summer. We were able to baptize, Brother Juan Luis and his wife Mailin, my nephew Jose, and my nephew Kaleb.

On July 25th, we were able to host another Spanish Outreach day on the farm, where we were able to invite many Spanish from our community. A young Spanish man from Peru, (the son of a missionary family we support) preached the Gospel to many unsaved people that day. We also had a BBQ, soccer and volley ball. It was a blessing to be able to reach many of the Spanish in our community. In August we had our first Vacation Bible School at our church. It was a great success and a blessing to see three children who were visitors attend. Also in August we were blessed to take a good group of youth to youth camp. We even had three first time campers from our church, two of which were from our Spanish Ministry. On August 15th, we had another Youth Day on the farm, and a men's breakfast at Church.

At the end of August we had a Spanish Missionary, Pastor Lopez and his wife, from Mexico come, and stay for a month. He taught in our Spanish Sunday School, marriage counselling, and Spanish Outreach on the farm. He and his wife prepared lessons for our youth day, where we had many visitors. I went on multiple outreach visitation with Pastor Lopez and his wife. On one visitation Pastor Lopez lead a man named Cesar to the Lord, while on another visitation his wife lead a lady named Claudia to the Lord. We praise the Lord for these two souls getting saved. At the beginning of September Pastor Lopez preached for our Annual Spanish Revival. The Revival was interpreted into English, and was a tremendous blessing for both the Spanish and English. Just after the Revival we were invited to assist a Pastor in New Brunswick with a Spanish outreach fellowship, where we invited many Spanish from the surrounding communities. Through this outreach and preaching, seven souls received Christ into their hearts. We thank God for the blessing of this Missionary Pastor and his wife and their hearts for God.

At the end on September, I was blessed with the opportunity to attend a Spanish Conference in Tennessee. It encouraged me to see so many Pastor's serving in either Spanish Churches or Spanish Ministries. I thank the Lord for many God fearing, servants, that are willing to serve Him with their lives.

Please pray for our new and upcoming Spanish Bible Institute, starting October 19th. This has been a huge burden on my heart for the last couple of years, and I give God the glory on being able to start this new ministry. Please continue to pray for our Spanish Ministry here in Nova Scotia, and across Canada.
