The Moccasin Telegraph
September/October 2026

Dear faithful friends,

The days and weeks seemed to fly behind us as we went about preparing for winter. Winterizing the camp and personal buildings takes time to be sure that anything that has water involved doesn't freeze. We had our first heavy wet snowfall this past week and that takes a lot of cleanup work. The beautiful white snow reminds me of my Savior taking the blackness of my sin and making it winter than snow. **Isaiah 1:18** ***Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.*** Praise God for His wonderful gift of salvation. In our services, I try to include a clear gospel presentation because some of our folks, when asked, cannot give an answer of what it means to be saved. Even though I explain to them what it means to be born in sin and why Jesus came and shed His blood on the cross of Calvary, there is definitely a lack of understanding. Please pray that the Holy Spirit would open their hearts to a clear understanding of salvation. Pray for me to clearly articulate the gospel message.

Sharon and I plan to travel to Prince Albert and Saskatoon the last week of October for appointments. Sharon has an appointment for testing regarding the rash on her hands and arms. She is scheduled for two appointments and we are praying that some answers would bring about a successful treatment. If all goes well following her appointments, we hope to visit some of our family in the USA. Please pray for Andreas and family as they take care of the services while we are gone.

Brother Terry Rushing, Wings as Eagles Ministry, picked up our airplane the first of October and flew it to Oshkosh, WI to take care of some maintenance needs and to have the propeller overhauled. While it is great having an airplane to use in the ministry, it also requires a lot of expensive maintenance. We thank the Lord for the many years He has provided for us to use the airplane as a tool for outreach in an area where there are no roads, only an Ice Road in the winter for about two months.

Thank you for your continued prayer and financial support. We are grateful and honored to be a part of your mission outreach. The need for missionaries is great in the small northern villages of Canada. Please pray that the Lord of the harvest would send forth Laborers into His harvest field.

For those of you south of the border, may the Lord bless your time of Thanksgiving with your families.

Under His Wings,

Jim and Sharon Pfaffenroth
Acts 20:24
